# Matariki School Sessions

### SHARING STORY AT MATARIKI

Matariki is a time of wananaa (learnina), so it makes perfect sense to celebrate by bringing your class glong to one of these free 90 minute sessions at the South Learning Centre. Students will learn about the Māori new year and the cultural significance of the Matariki star cluster. Matariki stories, celebrations and traditions will be explored. Students will learn how native plants and trees have been used for medicine and healina. and take part in a fun activity. This is a wonderful opportunity to learn more about Te Ao Māori (The Māori world). Spaces are very limited so be in quick.
