Would you like to know more about what our city's libraries offer?

Our Families Outreach Librarians have the answers to your questions so give us a call to book a free visit.

Becoming a library member is free, as are many of the services we offer to families. By joining the library you have access to an enormous range of books, plus DVDs, CDs, online services, courses and posters. Some even have cafés.

We want to encourage more of our city's residents to use the libraries – after all, they belong to you. Please contact us to book a visit from a Families or Maori Services Outreach Librarian during the day, evening or at the weekend.

We offer a range of services – storytelling, performances, library resource information and promotion, literacy education – to all groups and ages.
