A. The Matron & Schoolmaster are included in the numbers but not in the accounts.

B. The Contract stipulates that £13.10.0 shall be paid for every adult up to 150, and £12.15.0 for each passenger in excess of that number. It was thought the better plan to calculate the passage of all the passengers at £13.10.0 in the first instance, and deduct 15% per head in respect of all in excess of 150 at the end of the account.
