MARION TAYLOR,

a busy young housewife with two small children, says she feels a different person since her hair-dresser introduced her to Rege Color, the marvellous hair colouring by L'Oreal of Paris, which adds exciting colour radiance to all natural hair shades, with-out actual change. Marion loves her glowing new ap-pearance and appreciates the way it lasts and lasts through shampoo after

And Rege Color has a beauty bonus . . . it conditions as it colours to add new lustre and loveliness to languishing locks. Busy, young mothers everywhere are asking their hairdressers about Rege Color and discovering the magic of the marvellous Rege Color colour for every hair shade from blonde, brownette, and redhead to grey and white. Rege Color — it's made by Marigny. The world's finest hair products.
