FOREWORD

The New Zealand Society of Artists was formed in Christchurch in July, 1933, and a Branch in Dunedin in August, 1934. The Society consists of Artist and Subscribing Members.

The chief object of the Society is to advance Art in New Zealand, to expand the boundaries of Art expression and Art appreciation; to assist artists, students, and the public in these directions.

Our endeavours, so far, have been attended with considerable success, and we hope that the collection of works herein catalogued will be of interest both to artists and public. The abundant variety provided in this Exhibition emphasises the fertility of artistic vision and reveals much new and original work of technical excellence.

In this Exhibition, as far as possible the artists' works have been arranged in groups, which we believe avoids confusion.

ON THE PURCHASING OF WORK

One object of this Society is to foster a lively interest of the public in the work of our New Zealand artists. With this in view we counsel those interested in artistic matters to collect New Zealand artists' works. It is only by such real interest and patronage that the Art of our own Dominion can thrive and progress.

To further matters in this direction, those who desire to purchase works on a system of deferred payments may make arrangements with the General Secretary, Mr. D. S. Ritchie.

Attention is directed to the advantages of membership (see over-leaf), and in particular to the privilege of purchasing works at 10% discount on Catalogue prices.

THE NEW ZEALAND SOCIETY OF ARTISTS.
(INCORPORATED.)
